Islamic Republic of Iran: draft resolution

Follow-up to nuclear disarmament obligations agreed to at the 1995 and 2000 Review Conferences of the Parties to the Treaty on the Non-Proliferation of Nuclear Weapons

The General Assembly,

Recalling its various resolutions in the field of nuclear disarmament, including its most recent, resolutions 62/24 of 5 December 2007, and 63/46, 63/49 and 63/75 of 2 December 2008,

Bearing in mind its resolution 2373 (XXII) of 12 June 1968, the annex to which contains the Treaty on the Non-Proliferation of Nuclear Weapons,[1]

Noting the provisions of article VIII, paragraph 3, of the Treaty regarding the convening of review conferences at five-year intervals,

Recalling its resolution 50/70 Q of 12 December 1995, in which the General Assembly noted that the States parties to the Treaty affirmed the need to continue to move with determination towards the full realization and effective implementation of the provisions of the Treaty, and accordingly adopted a set of principles and objectives,

Recalling also that, on 11 May 1995, the 1995 Review and Extension Conference of the Parties to the Treaty on the Non-Proliferation of Nuclear Weapons adopted three decisions on strengthening the review process for the Treaty, principles and objectives for nuclear non-proliferation and disarmament, and extension of the Treaty,[2]

Reaffirming the resolution on the Middle East adopted on 11 May 1995 by the 1995 Review and Extension Conference of the Parties to the Treaty,[2] in which the Conference reaffirmed the importance of the early realization of universal adherence to the Treaty and placement of nuclear facilities under full-scope International Atomic Energy Agency safeguards,

Reaffirming also its resolution 55/33 D of 20 November 2000, in which the General Assembly welcomed the adoption by consensus on 19 May 2000 of the Final Document of the 2000 Review Conference of the Parties to the Treaty on the Non-Proliferation of Nuclear Weapons,[3] including, in particular, the documents entitled "Review of the operation of the Treaty, taking into account the decisions and the resolution adopted by the 1995 Review and Extension Conference" and "Improving the effectiveness of the strengthened review process for the Treaty",[4]

Taking into consideration the unequivocal undertaking by the nuclear-weapon States, in the Final Document of the 2000 Review Conference of the Parties to the Treaty, to accomplish the total elimination of their nuclear arsenals leading to nuclear disarmament, to which all States parties to the Treaty are committed under article VI of the Treaty,

Gravely concerned over the failure of the 2005 Review Conference of the Parties to the Treaty to reach any substantive agreement on the follow-up to the nuclear disarmament obligations,

Noting with satisfaction that the Preparatory Committee for the 2010 Review Conference of the Parties to the Treaty finalized the procedural arrangements for the Review Conference,

1. *Determines* to pursue practical steps for systematic and progressive efforts to implement article VI of the Treaty on the Non-Proliferation of Nuclear Weapons[1] and paragraphs 3 and 4 (c) of the decision on principles and objectives for nuclear non-proliferation and disarmament of the 1995 Review and Extension Conference of the Parties to the Treaty on the Non-Proliferation of Nuclear Weapons;[2]

2. *Calls for* practical steps, as agreed to at the 2000 Review Conference of the Parties to the Treaty on the Non-Proliferation of Nuclear Weapons, to be taken by all nuclear-weapon States that would lead to nuclear disarmament in a way that promotes international stability and, based upon the principle of undiminished security for all, for:

(a) Further efforts to be made by the nuclear-weapon States to reduce their nuclear arsenals unilaterally;

(b) Increased transparency by the nuclear-weapon States with regard to nuclear weapons capabilities and the implementation of agreements pursuant to article VI of the Treaty and as a voluntary confidence-building measure to support further progress in nuclear disarmament;

(c) The further reduction of non-strategic nuclear weapons, based on unilateral initiatives and as an integral part of the nuclear arms reduction and disarmament process;

(d) Concrete agreed measures to reduce further the operational status of nuclear weapons systems;

(e) A diminishing role for nuclear weapons in security policies so as to minimize the risk that these weapons will ever be used and to facilitate the process of their total elimination;

(f) The engagement, as soon as appropriate, of all the nuclear-weapon States in the process leading to the total elimination of their nuclear weapons;

3. *Notes* that the 2000 Review Conference of the Parties to the Treaty agreed that legally binding security assurances by the five nuclear-weapon States to the non-nuclear-weapon States parties to the Treaty strengthen the nuclear non-proliferation regime;

4. *Urges* the States parties to the Treaty to follow up on the implementation of the nuclear disarmament obligations under the Treaty agreed to at the 1995 and 2000 Review Conferences of the Parties to the Treaty within the framework of Review Conferences of the Parties to the Treaty and their Preparatory Committees;

5. *Decides* to include in the provisional agenda of its sixty-sixth session an item entitled "Follow-up to nuclear disarmament obligations agreed to at the 1995 and 2000 Review Conferences of the Parties to the Treaty on the Non-Proliferation of Nuclear Weapons".
